Date

A voluntary donation of £1 per participant towards administration costs is requested.

The 3 Mayors' Walk is intended to be a fun community event for the Mayor and residents of the 3 towns of Thatcham, Newbury and Hungerford and the surrounding areas. The walk, along the tow path of the Kennet & Avon Canal, provides an opportunity for both social walking and for those wishing to gain sponsorship and raise funds for their own charities.

There are 3 starting points along the tow path:-

11.00 am	Thatcham Station	
12.30 pm	Victoria Park, Newbury	4 miles
2.30 pm	Kintbury	6 miles
	Finish at Hungerford Wharf	3 miles

Participants may start at any starting point and may walk to their chosen start/finish point along the route.

It must be remembered that this is not a circular walk and that you can return to your starting point via the train or organise your own pick up arrangements.

The route is fairly level however may be overgrown and uneven in places, it is therefore recommended that suitable footwear is worn.

Participants under the age of 16 must be accompanied by an adult at all times.

Participants are reminded that they are taking part at their own risk and without responsibility to the organisers.
