

## **NEW PLAY FACILITIES AT BLOSSOM'S FIELD WASH COMMON**

### **GRAND OPENING**

Newbury Town Council is pleased to announce that the new play facilities in Blossom's Field, Wash Common will be opened by the Mayor on Saturday 13 September 2008 at 3.00pm. The Mayor will be accompanied by a representative of Greenham Common Trust, Councillors and members of the Town Councils Services Team.

Local residents Deborah Wyatt and Beverley Lewis successfully secured a generous donation of £50,000 from Greenham Common Trust to support the development of the play facilities in Blossom's Field. Additional funding to complete the project was provided by Newbury Town Council from S106 monies designated for Wash Common.

The Play Equipment, Sports Wall and Junior Football Pitch provide a range of facilities that are both fun and challenging to children of all ages.

We propose to organise a supervised five-a-side football and basketball competition on the day, starting at around 3.20pm. Hopefully the weather will be kind to us.

Granville Taylor  
Services Manager
