JUNIOR HORTICULTURALISTS OF 2011

FALKLAND PRIMARY SCHOOL

Falkland Junior School were given special recognition with an award for their hard work tending an allotment plot at Wash Common.

The children take it in turns in groups each week to dig, sow and look after a number of different varieties of vegetables and flowers. They even have a rather super looking scarecrow to keep the birds at bay.

The trophy was awarded to the school by Councillor David Allen, Deputy Leader of the Council and Councillor David Fenn.

END

For further details regarding Newbury's allotments please call the Services Team at Newbury Town Council on 01635 35486.
