### CHRISTMAS TREE 2010

Each year Newbury Town Council erects a wonderful decorated Christmas Tree in The Market Place, outside the Town Hall.

The tree is usually between 35ft – 45ft high and for the past two years, a tree has been generously donated from members of the public.

We are, once again, looking for a special tree for Christmas 2010 and appealing to anyone who may have a fir tree in their garden or on their land that would be suitable.

Every year, to help with the costs of erecting, decorating and removing the tree, we ask for business sponsors. This provides local businesses with the opportunity to place a promotional banner around the tree for the duration of the festive season.

This is a wonderful opportunity for a local business to have their name displayed in the heart of Newbury for the duration of the Christmas Lights period (6 weeks) for a fraction of usual advertising costs.
