

English Landscapes Retain Grounds Maintenance Contract

Newbury Town Council is pleased to announce that from 1 April 2006, English Landscapes have been chosen via competitive tender to maintain all the parks, recreation grounds and open spaces in Newbury which are under the Council's control. English Landscapes have already held the contract for the previous five years. There is an excellent working relationship between the contractor and the Council which has resulted in numerous accolades over the years. Under the new contract, we look forward to at least another three years of excellent service for the benefit of all of Newbury
