NEW PEDALOES AND KAYAKS FOR VICTORIA PARK

GRAND OPENING

The Mayor of Newbury, Ian Grose, will be launching new pedaloes and kayaks recently purchased by Newbury Town Council for Victoria Park's pond on Saturday 29th May at 12:30pm.

The new equipment will be available to hire from the kiosk throughout the summer months.

Councillor David Allen, Chair of the Victoria Park Working Group said, "The old pedaloes and kayaks were worn out and beyond economic repair. We were fortunate to be able to purchase new boats for the pond for the coming season from Section 106 funds and this Saturday we will be proud to have the new Mayor of Newbury unveiling the boats".

Come along, meet the new Mayor and have a go!
