Newbury Town Council Summer Bedding

Newbury's parks and open spaces are looking beautiful and in full flower.

The summer beds and hanging baskets are planned and designed by Newbury Town Council, together with English Landscapes, a year in advance.

A great deal of thought is put into the process to ensure that Newbury has varied and colourful displays throughout the town centre and surrounding areas during the summer months.

Victoria Park, Greenham House Gardens, St John's Memorial Gardens, Old Hospital Green, Peace Gardens and the hanging baskets found throughout Newbury's town centre are all looking fantastic.

We would like to encourage everyone to have a walk and enjoy the beautiful displays.

Councillor Ifor Sheldon, Leader of the Council, said, "What a joy it is to see such spectacular floral displays in Newbury once again. I would encourage everyone to walk through our town parks and take time to enjoy the beautiful displays that the Town Council have worked so hard to create."
