Newbury's Neighbourhood Development Plan (NDP)

Steering Group Meeting

A meeting of the **NDP Steering Group** is scheduled for **Tuesday 19th September 2023 at 6.30 pm** and will be held on Zoom (See link in email)

Newbury's NDP Steering Group:

Newbury Town Council (NTC): Councillors Nigel Foot, Vaughan Miller, Gary Norman, Martha Vickers, Andy Moore and David Harman.

Members of the public: Ian Blake, Paul Millard, Anthony Pick, Louise Sturgess, Kim Whysall-Hammond (Joint Project Manager), Burnie Owens

Other Attendees:

Hugh Peacocke, (Chief Executive Officer, Newbury Town Council)

Agenda:

1. Apologies

2. Announcements and introductions

Minutes (Appendix 1) To approve the minutes of a meeting of the NDP SG held on 19th July 2023 (Attached)

4. Topic subgroups:

- A) To note the workings and methodology for Topic Subgroups.(Appendix 2)
 - Heritage and Design
 - Sustainability and Climate Change
 - Biodiversity and Wildlife
 - Transport and Access
 - Community Facilities
 - Economy and Enterprise
- B) To receive updates from each of the Topic Subgroups (Appendix 3.1 Biodiversity and Appendix 3.2 Heritage and design)
- 5. To review the Project Plan (Appendix 4.1) and Forward Work Programme (Appendix 4.2) To note and agree any other items to add to the Forward Work Programme.

6. Next Meeting: 19th October

Minutes of Newbury's Neighbourhood Development Plan (NDP) Steering Group meeting, held on Zoom at 6.30 pm on 19/07/2023.

Present:

Newbury's NDP Steering Group:

- A) Newbury Town Council (NTC): Councillors Nigel Foot (Chairman), David Harman and Vaughan Miller.
- B) Lay Members: Ian Blake, Paul Millard, Anthony Pick, Louise Sturgess and Kim Whysall-Hammond

Other Attendees:

Jeremy Flawn, Bluestone planning consultants Hugh Peacocke (NDP Secretary, Newbury Town Council)

128. Apologies

Councillors Andy Moore, Gary Norman and Martha Vickers.

129. Declarations of Interest

Councillor Antony Pick declared that he was the chairman of West Berkshire Heritage Forum.

130. Minutes of meeting held on 4 July 2023. Agreed by the meeting.

131. Vacancy for Lay Member

The Secretary advised that he had not heard back from Carl Pearce, despite several emails and trying to contact by phone.

The meeting discussed this matter and noted that under the Steering Group's terms of reference they may recruit extra persons.

Councillor Vaughan Miller will discuss with an interested party.

The Secretary was requested to contact Burnie Owens to see if he was still interested in joining.

132. To confirm the membership of the Topic Subgroups

The meeting agreed the following members on Subgroups:

- Heritage and Design Anthony Pick, Ian Blake
- Sustainability and Climate Change Cllr. Martha Vickers, Louise Sturgess
 Biodiversity and Wildlife Cllr. David Harman and Kim Whysall-

Hammond

- Transport and Access Cllr. Nigel Foot, Cllr. Andy Moore
- Community Facilities Cllr. Vaughan Miller, Paul Millard
- Economy and Enterprise Cllr. Gary Norman, Burnie Owens?

The following points were also noted:

- Each topic subgroup may "recruit" others who can assist with the topic
- Each topic subgroup may consult persons, groups or organisations on their topic
- The Secretary will write to other members of the Council advising them of the topic subgroups and inviting them to participate
- The Secretary will raise the Economy and Enterprise Topic Subgroup with the BID and invite their support/ participation.

133. To review the guidance documentation received from Bluestone Planning Consultants

The Steering Group thanked Jeremy Flawn for the guidance from Locality, which was helpful and well-written.

134. To agree the workings and methodology for Topic Subgroups

Agreed:

- 1. Consider the Guidance received from Bluestone Planning Consultants
- 2. Consider the options table presented by Bluestone
- 3. Consider if there is anyone else you might invite to participate or consult on the topic
- 4. Draft policy options/ progress update to be presented to the Steering Group (19 September 2023)
- 5. When policy options are drafted, the Steering Group will ask for the LPA/ Bluestone to review those options in light of the guidance and current policy statements (the Regulation 19 LPA proposals, the current LAP, the core strategy, the site allocations and the NPPF)
- 6. Bluestone/ LPA will advise which policy options might be taken forward
- 7. Each topic subgroup will then consider available evidence and identify evidence gaps
- 8. Each topic subgroup will then report back to the Steering Group for further direction re evidence, etc.

135. Forward Work Programme

Next meeting:

- Progress reports from Topic Subgroups
- Set high level milestones/ project planning

136. To fix the date of the next meeting

The next meeting 6.30 pm, 19 September 2023 After that, 19 October and 14 November

There being no other business, the Chairperson declared the meeting closed at 7.40 pm.

Newbury Neighbourhood Development Plan

Topic Sub-groups

Topic Subgroup	Members
Heritage and Design	Anthony Pick, Ian Blake
Sustainability and Climate Change	Cllr. Martha Vickers, Louise Sturgess
Biodiversity and Wildlife	Cllr. David Harman and
	Kim Whysall- Hammond
Transport and Access	Cllr. Nigel Foot, Cllr. Andy Moore
Community Facilities	Cllr. Vaughan Miller, Paul Millard
Economy and Enterprise	Cllr. Gary Norman, Burnie Owens

Workings and methodology for Topic Subgroups

- 1. Consider the Guidance received from Bluestone Planning Consultants
- 2. Consider the options table presented by Bluestone
- 3. Consider if there is anyone else you might invite to participate or consult on the topic
- 4. Draft policy options/ progress update to be presented to the Steering Group (19 September 2023)
- 5. When policy options are drafted, the Steering Group will ask for the LPA/ Bluestone to review those options in light of the guidance and current policy statements (the Regulation 19 LPA proposals, the current LAP, the core strategy, the site allocations and the NPPF)
- 6. Bluestone/ LPA will advise which policy options might be taken forward
- 7. Each topic subgroup will then consider available evidence and identify evidence gaps
- 8. Each topic subgroup will then report back to the Steering Group for further direction re evidence, etc.

Policy:	What we need to do (Ideas and proposals):	Who we can talk to:	Some possible actions:
BW1 – To preserve, enhance, and where possible, increase our green spaces	 Map and identify green spaces, consult on which are more important/ valuable Identify how to enhance green spaces Identify how to increase green spaces 	 Can survey public on what green spaces they value most (other NDPs have done this) Meet with local interested parties (Green groups, local gardening and conservation groups.) 	 Ask residents to rate the importance of selected green spaces Identify and contact Green groups, local gardening and conservation groups. Contact Thames Valley Environmental Records Centre Consider designating valued green spaces as <i>Local Green</i> <i>Spaces</i> (these areas need to be in in reasonably close proximity and demonstrably special to the local community and hold a particular local significance.)
BW2 - To preserve and enhance our blue spaces (canal and rivers).	 Map and identify blue spaces, consult on which are more important/ valuable Identify actions to preserve/ conserve 	 Can survey public on what blue spaces they value most, what they do with them Lambourn river has an action group, Canal and River Trust 	 Further public consultation to understand local use of Blue spaces and what actions are needed to preserve and enhance Contact Thames Valley Environmental Records Centre
BW3 - To facilitate and where possible, create wildlife corridors.	 Identify where we can put wildlife corridors Hedges around school grounds can provide Wildlife Corridors. Possibility for school involvement, especially at Primary level? Clarify what needs to be done when creating wildlife corridors 	 Meet with local interested parties (Green groups, local gardening and conservation groups.) 	 Identify and contact Green groups, local gardening and conservation groups. Get advice on best practice Liaise with NE / BBOWT / WBC biodiversity officer etc
BW4 - To promote the inclusion of public open green and blue spaces in developments.	Ensure all new developments protect and enhance local biodiversity, have green spaces, and where appropriate, blue spaces.		

Biodiversity Subgroup:	First draft of proposed action	on regarding NDP policy validation	16072023
-------------------------------	--------------------------------	------------------------------------	----------

BW5 – To plan for an increase in biodiversity and wildlife habitat over and above that in the Environment Act 2021 in all future developments.	Need to understand the standard set out in the Environment Act 2021	 Jeremy Flawn? WBC? 	
BW6 – To promote tree planting, community orchards, and community gardens	 Allotment holders are excellent resource of gardeners. Allotments are easy way to create first community gardens? 	 Contact Growing Newbury Green (orchards), FoE (Lockdown woods) Secret Garden group, Allotment holders Use Newbury Volunteer Centre Horticultural Hub for further prospects 	 Survey Allotment holders re community gardens Work with WBC to identify land where more community Orchards can be planted Work with WBC to indentify land where community gardens can be created

Note: Many of the resources listed here will be useful for more than one policy in this category.

<u>Newbury Town Council Neighbourhood Development Plan</u> <u>Topic Subgroup Heritage and Design</u> <u>Policy Options</u>

1. Heritage and design profiles, describing the local character, architecture, and views, will be prepared for each of the 11 character areas defined in the Newbury Town Design Statement (July 2018 and earlier version) [NTDS]:

North West Newbury North East Newbury The Town Centre Eastfields Industrial Area Westfields South and City St Johns Pyle Hill Valley Road Wash Common.

The relevant Conservation Areas, as defined by West Berks Council and Newbury District Council, are:

Newbury Town Centre; K&A Canal Newbury West; K&A Canal Newbury East; Shaw Road and Crescent; Donnington Square; Stroud Green (part)

The proposed changes in the draft CAA for Newbury Town Centre to the borders of the Town Centre CA are not accepted.

- 2. For each character area, the following information, as appropriate, will be collected as a basis for the heritage and design profiles:
 - (i) nationally and locally listed buildings;
 - (ii) non-designated heritage assets;
 - (iii) principal landmarks;
 - (iv) principal settings and views of heritage significance, including trees;
 - (v) characteristic design features of buildings, including their street scene, styles, rhythm, scale, height, materials, and roofscapes;
 - (vi) public open spaces;
 - (vii) public realm: street paving, furniture and clutter;
 - (viii) rivers, canals, and their adjacent buildings.

3. The following information sources will be used:

List of former Grade III listed buildings, if obtainable; The NTDS: Draft Conservation Area Appraisal for Newbury Town Centre, December 2021 (West Berks Council); Pevsner (2010 edition); Historic Environment Record, accessed via the WBC online map; Newbury Road by Road (Roy Tubb, 2011); Draft CA proposals prepared by Gina Houghton, 2006-09: St. Bartholomew's school area Newtown Road **Donnington Square** Westfields Stroud Green; Historic Newbury Character Study (West Berks Archaeology Service, 2006); Newbury Buildings Past and Present (Newbury Museum, 1973); List of Buildings of Special Architectural or Historic Interest, District of Newbury (Department of the Environment, 1983), with notes by David Peacock,

- 2013.
- 4. Next steps:

The first character areas to be described will be:

Westfields (Ian) Eastfields (David) Wash Common (Anthony)

The subgroup will meet at La Redoute on 29 November 2023 to review and compare progress.

5. <u>Principles of development of new buildings, extensions and alterations to existing buildings, and demolition of buildings, appropriate to each character area</u>

Developments should be complementary to the character, materials, and setting of existing buildings in the respective character area, and if possible should enhance it. Existing building heights and roofscapes should be respected. Existing views of heritage significance, including trees, should be protected.

Taller buildings outside the immediate town centre should be set back from existing shorter buildings in proportion to their height. New landmark buildings in modern materials are desirable, but should enhance rather than distract from the character of their neighbourhood. Special protection should be accorded to Newbury's stock of pre-Civil War 17th century and earlier buildings, which are especially vulnerable, to 18th Century buildings by James Clarke, which are some of Newbury's most distinguished, and to 19th century and early 20th century buildings by the local architect James H. Money.

The character of Newbury's seven gateway roads, several of which have a garden suburb ambience, should be a factor in any planning proposal which affects them.

Larger planning applications should have regard to existing local landmark buildings and landscape features.

The visual rhythm and characteristic design features of the post-War Newbury estates should be preserved. These should include open corner plots where these remain.

Canal side developments should preserve or improve on their special amenity as an attractive environment.

Open landscapes within the town and suburbs, including recreational open space and strategic green corridors, should be protected and enhanced.

New shop fronts and improvements to existing shop fronts should take into account the character of the individual building, the relationship to neighbouring properties and the character of the street as a whole. The 2003 SPG on Shopfronts and Signs remains in force.

Unused modern clutter to building frontages should be removed. Modern accretions should be located where they are not publicly visible. Waste storage facilities should be discreetly located and in keeping.

Traffic signage, and road marking should be kept to the minimum necessary to meet safety standards.

Ian Blake David Peacock Anthony Pick

September 2023

David Peacock was co-opted to the Topic Subgroup on 12 July 2023.

Newbury's Neighbourhood Development Plan Steering Group

Forward Work Programme for NDP Steering Group: 19th July 2023

Standing Items on each (ordinary meeting) agenda:

- 1. Apologies
- 2. Declarations of Interests
- 3. Approval of Minutes of Previous Meeting
- 4. Forward Work Programme
- 5. To Fix the Date of the Next Meeting

Item	Date
An identity for the NDP- it's a long term project, could have its own website and social media platforms? Its own logo?	ASAP
To collate, analyse and write up the responses to the questionnaires for review.	Next meeting
To make amendments to the Vision and Objectives, if appropriate.	Following analysis above
To form Topic Sub-Groups who will gather evidence and draft the NDP Policies.	
To collate all the policies into a Draft NDP.	By April 2023
To consult the Newbury Community on the Draft NDP.	By June 2023
To set up topic Subgroups to draft policies in each area.	By July 2023
To consider the draft policies from the topic subgroups	By Sept 2023
To collate and write up the responses to the Draft NDP and make any necessary amendments.	
To get the draft NDP approved by Newbury Town Council.
