

Week commencing 30th March 2020

Clay Hill Ward

The Clay Hill Community Association have been working closely with NTC and WBDC Clay Hill councillors, VCWB, the Neighbourhood Watch and Administrators of the *West Berkshire Community COVID Support* Facebook Group.

The Clay Hill Ward have created and distributed flyers to nearly 3,000 addresses in the area, asking neighbours to help one another and to report to the CHCA any addressed who require supporting.

They have also developed a confidential spreadsheet to record the streets where anyone has helped to help their neighbours. A letter that says 'Can you help your neighbour Joe Blogs at Number 8...' has been produced for anyone who has been in contact asking for help, these are distributed to their neighbouring doors in the hope that they are able to help.

The CHCA also visited every shop and service in Clay Hill, including the A4, to ask of their plans to service the self-isolating, opening hours etc. These have been place on the *Riverside Community Centre, Clay Hill page* on Facebook.
