12

Our Action Plan

F. Help deliver a well-presented town with high quality public amenities that support well-being, safety and visitors

3. Well-being:

- a) By end 2021, work with West Berkshire District Council to identify what additional signage and footpaths are required for walking and cycling routes to and from the Town Centre and local schools, and agree a programme for their delivery
- b) Consider additional signage to countryside paths and open space within the parish of Newbury or immediately adjacent to it
- c) Support the work of the Greenham & Crookham Common Commissioners
- d) Support the Friends Group working to ensure the permitted path through Speen Moors remains open to the public
- e) Support efforts to safeguard the long-term future of the Newbury Lido, and to extend the number of months each year that it is open
- f) Work with local community groups like the Newbury Society and City Arts to promote and extend the Town Trail and other visual arts initiatives.

4. Safety:

- a) Specialist changing facilities:
 - i. (Repeat of 1.F.2.i) By end Q2 2020, explore options for the best location for a specialist hoist in at least one public toilet in Newbury that will enable carers to change older children / young people on the changing table when needed rather than on the floor.
 - ii. (Repeat of 1.F.2.ii) Install as soon as practical, and by Easter 2022 at the latest (was mid 2021)
- b) Provide defibrillators in appropriate locations and assist other bodies who wish to provide them
- c) Support community safety, working with partners as appropriate, including Town Centre CCTV, footway lighting etc as required

5. Support Visitors:

- a) By end 2021, working with Newbury BID, agree a co-operation plan with coach operators who bring visitors to the town to make them feel welcome and encourage them to continue to stop off in Newbury
- b) Work with Newbury BID and other organisations to encourage sustainable tourism growth in the interest of the town's economy
- c) Provide brochures, maps, signage and other information for the benefit of visitors to Newbury
- d) Work with partners to ensure Newbury "arrival points" (Tesco roundabout, train stations, car parks etc) give visitors a good impression

13

Our Action Plan

G. Provide a strong voice for Newbury to push the following with WBC, Newbury BID, etc:

- 1. Neighbourhood Development Plan
 - a) Complete 20/21: By end 2020, explore the time and costs to produce Neighbourhood Development Plan, and the likely benefits in terms of increased influence on planning decisions and additional CIL contributions
 - b) By end Q1 2021: decide whether to move forward with a Neighbourhood Development Plan based on both the cost benefit investigation and the success or otherwise of G1-G4 above
- 2. Work with and support the Canal Corridor Working Group to prepare an action plan by the end of Q3 2021 for the future development and protection of the Canal Corridor.
- 3. Promote and encourage investment in the Town Centre, especially south of the Canal Bridge, including a coherent plan for the Kennet Centre
- 4. Work with Newbury BID and other relevant organisations to lobby WBC for the permanent pedestrianisation of the Market Place, excluding Mansion House and Wharf Streets. Aim for decision by end Q3 2021 (was Q3 2020)
 - a) Added: Use NTC input to the Newbury Town Centre Masterplan 2036 to promote this objective
- 5. Newbury Town Centre Masterplan 2036
 - a) Ensure the Newbury Town Plan 2019-2036, items (1) to (4) above, and the views of our residents form a central part of the input to any consultation on the new Newbury Town Centre Masterplan 2036.
 - Town Centre WG (established in November 2020) + P&H + dual-hatted members will provide input
- 6. London Road Industrial Estate redevelopment
 - a) Ensure full participation and input into any consultation on the redevelopment of the LRIE. Formal response has been provided 2020/21
- 7. Lobby West Berkshire Council to adopt the following into their new Local Plan, expected in late 2021 (was Q1/Q2 2020)
 - a) The relevant parts of the Newbury Town Plan 2019-2036
 - b) An environmentally sustainable approach to transport that promotes modal shift to no / low carbon modes of transport, especially walking, cycling and public transport
 - c) Opposition to the use of Permitted Development Rights for change of use to residential in established employment areas, and request the planning authority to seek article 4 directions in this matter

Our Action Plan

15

1. Help make Newbury a unique, welcoming, safe and well cared for town

G. Provide a strong voice for Newbury to push the following with WBC, Newbury BID, etc:

- 8. Lobby WBC to:
 - a) Provide a suitable football facility for Newbury's Men's, Ladies and Youth teams to play football at an equivalent or better standard than the old ground provided. This should be within the Newbury settlement area, with good walking and cycling access to the town centre, good public transport links and adequate parking. Inability to provision a suitable alternative site should result in the ground on Faraday Road being returned to its former standard or being redeveloped to an even better standard, with 3G pitches providing higher availability for matches and training. (As amended by Full Council on 20th May 2020)
 - b) Take action where appropriate under S215 of the Planning against owners of lands or buildings which detract from the amenity of the area (See also 1.G.11.e)
 - c) Complete a Conservation Area Appraisal for the town
 - d) Consider making Newbury a low emission zone and so discourage through traffic on the A339
 - e) Consider providing an additional 'at grade' pedestrian crossing of the A339
- 9. Work closely with WBC, the BID, Thames Valley Police and other organisations that are important to the success and wellbeing of the town and its residents
- 10. Work with partners to grow Newbury's reputation as a centre of high-tech excellence
- 11. Support and encourage the devolution of decision making and service delivery to the most appropriate level

12. Use our role as statutory consultee for Planning to:

- a) Encourage diverse shopping and eating out options with a significant number of independents
- b) Encourage a modal shift in transport by prioritising walking, cycling and public transport
- c) Maintain pressure for significant provision of social housing, including houses for social rent
- d) Improve environmental standards and reduce carbon footprint of new building and infrastructure projects
- e) Lobby, encourage and assist WBC in enforcing S215 repairs to land and buildings that diminish the town's appearance (see also G3b)
- f) Continue to pressure WBC to maintain, respect and protect our Conservation Area (see also 1.G.3.c)
- g) Request the planning authority to address the flood risks associated with development proposals and ensure that these are properly addressed
- h) Lobby the Local Planning Authority as appropriate on issues of importance for the wellbeing and prosperity of the people of Newbury
- i) Comment on all planning and licensing applications in, near, or affecting the town and continue to provide a service to residents of Newbury who wish to comment on them further and seek to influence West Berkshire Council on all planning applications of significance
- j) Comment and respond to the Highways Authority (West Berkshire District Council) on consultations and proposals for highways, traffic and parking schemes in Newbury

A. Arrange and Manage Inspiring Civic events and Mayoral calendar

- 1. Co-ordinate the annual Remembrance Day ceremony in Newbury
- 2. Deliver the annual Mayor Making ceremony
- 3. Uphold and promote the role of Mayor as Civic Head and First Citizen of Newbury
- 4. Encourage bookings, and manage the calendar of events for the Mayor and Deputy Mayor

B. Stage and support enjoyable and inclusive community events

- 1. Work with and support the tennis coaches to stage a Victoria Park tennis championship once Covid allows.
- 2. Support the re-establishment of Art in the Park and other public arts events aim for summer 2021, Covid permitting
- 3. Work with Newbury BID and other parties to explore options for a Christmas Market in Newbury from 2021
- 4. Hold an Annual Family Day in Victoria Park for the enjoyment of our residents and to promote the park and its facilities
- 5. Organise and support the annual Mayor's Drive in July to give the over 75s an enjoyable day out
- 6. Support and promote selected community events through financial assistance and / or provision of venues and facilities, notably, but not limited to: Christmas Lights, Music at the Band Stand, and the Newbury Carnival
- 7. Support Newbury in Bloom and Britain in Bloom to raise Civic Pride and encourage and acknowledge efforts by the community, businesses, residents and other organisations of Newbury
- 8. Encourage and facilitate residents' participation in social, recreational and sporting activities by providing suitable facilities in appropriate places
- 9. Where is fits with other Council initiatives, encourage and support community involvement as appropriate e.g. community litter picks, community planting / clearing for biodiversity etc

.

2. Foster a real sense of community

- C. Celebrate and recognise individual and community achievements
 - 1. Run and sponsor Newbury's annual Civic Award scheme to recognise the contributions of our residents to the town
 - a) First completed in 20/21: Add an award for best environmental contribution
 - b) First completed in 20/21: Display full list of all those who have been congratulated by the Mayor during the preceding year
 - 2. Congratulate residents and members of the community whenever significant achievements are brought to our attention, and keep a list on the website

D. Encourage and support contributions to our public and community life

- 1. Hold an Annual Town Meeting for Town Council electors and use it to encourage participation in and feedback on key elements of the Council strategy
- 2. Encourage participation in local democracy with particular focus on:
 - a) Encouraging women into local politics
 - b) Introducing young people to local democracy and NTC; and encouraging a Youth Forum / Youth Council
 - c) Run a community grants scheme which prioritises the award of financial or other support to organisations and causes which serve wholly or mainly the residents of Newbury and have outcomes that support the delivery of our Strategy
- 3. Continue to support the principle of Newbury Town Twinning and explore how to make it more inclusive
- 4. Provide support, advice and publicity for self-funding groups (eg Friends of Victoria Park, Friends of Newtown Road Cemetery)

E. Celebrate and encourage appreciation of public art and Newbury's heritage

- 1. Further develop the town's heritage trail
- 2. Promote the art and heritage trails, working with partners where appropriate

Our Action Plan

18

A. Ensure the activities of Newbury Town Council are carbon neutral by 2030 or before

3: Take actions to address the climate emergency

- Becoming carbon neutral will be a core ongoing priority for NTC, and will result in clear targets and potentially new ways of working across the organisation
- NTC direct carbon footprint has been independently measured and certified at 68.11 tonnes per year. Therefore, to become carbon neutral by 2030, NTC will need to reduce its annual carbon footprint by an average of at least 7 tonnes every year, although the reduction is unlikely to be linear
- 1. The Climate Emergency Working Group will continue to develop our plans and recommendations to deliver net zero carbon
 - a) Completed: In December 2019, agree a clear carbon reduction plan for 2020 to deliver a full year equivalent reduction of at least 7 tonnes
 - b) In December every year, starting in 2020, agree the detailed carbon reduction plan and budget for the following year, and an outline plan for the remaining years to 2030. 2021/21 C reduction of 25.8 tonnes.
- 2. For existing operations we will:
 - a) Prioritise real reductions in our energy usage by cutting out waste and by investing in more efficient systems and ways of working. For example in the Town Hall we will invest in insulation, efficient heating, low energy bulbs, systems to automatically turn off the lights, etc. Started 20/21
 - b) We will also look to offset where this makes sense; and will not simply buy offsets as an easy way to reduce our carbon footprint. Instead we will prioritise by offsetting through primarily local means and opportunities within our operations. For example solar electricity generation, additional tree and shrub planting, grants to local organisations supporting our carbon-neutral / Climate Emergency principles, etc.
- 3. For all new projects, activities and procurement decisions we will:
 - a) Ensure carbon impact is a core decision making criteria when making recommendations about new projects, activities and procurement decisions. We will always aim to minimise the carbon impact, and target net zero where practical and cost effective. To this end, from November 2019, environmental impact considerations will become part of the NTC standard report template.
 - b) Completed 20/21: Redesign the new café in Victoria Park to enable carbon neutral operation, and target BREEAM Excellent for its construction
- 4. Ensure that management of our green spaces and support for nature and horticulture projects more widely across Newbury is designed, where feasible and cost effective, to maximise environmental benefits and biodiversity.
 - a) Establish new sown wildflower meadows where possible using local seed sources and/or those appropriate to the ecological and cultural heritage of the site
 - b) Conduct biodiversity surveys in our major open spaces to provide benchmarks and give basis for future enhancements
- 5. Once our current contract ends, we will move to green tariffs (certified 100% matched by renewable sources) for our energy supply. In the meantime we will explore options within our current contract.
- 6. From March 2020, our carbon footprint will be publicly reported annually as a new KPI first completed in 20/21

3: Take actions to address the climate emergency

B. Encourage and support actions that will make Newbury as a whole more environmentally sustainable

- 1. Starting in September 2019, NTC will hold at least one Climate Change Community Workshop per year to:
 - a) Update local residents & environmental groups on progress towards making the activities of NTC carbon neutral, and gather feedback & suggestions
 - b) Encourage & support actions to help make Newbury as a whole more environmentally sustainable, & gather suggestions on how NTC can best help
- 2. By mid April 2020, launch a Climate Fund to support local environmental groups with projects that will reduce CO2 emissions and other actions that benefit the climate in the parish of Newbury
 - a) NTC will be able to take credit for an appropriate share of any carbon reduction and use this to offset total emissions and help deliver zero carbon
- 3. Use our influence and network where appropriate and cost effective to:
 - a) Support local community organisations in their 'green initiatives'
 - b) Support a local 'Green Directory' to ensure residents know what resources, offers and support they can access
- 4. By end 2021, reconnect the drinking water fountain on the Town Hall, and install new drinking water taps in the City recreation Ground and Blossoms Field
- 5. During 2020, investigate cost effective ways of increasing the current recycling rate from waste collected from our parks. Decide in Q1 2021 (was October 2020) whether to implement new arrangements
- 6. Lobby WBC to:
 - a) Update their planning guidelines to require key environmental features in order to receive planning support, e.g. solar panels for electricity and hot water, electricity storage batteries, ground / air source heat pumps, electric car changing point, etc. This should also be added to their Local Plan review in 2020/21 provided official NTC response to the Local Plan Review and WBC Environmental Strategy
 - b) (Repeat of 1.G.4): Work with Newbury BID and other relevant organisations to lobby WBC for the permanent pedestrianisation of the Market Place, excluding Mansion House and Wharf Streets. Aim for decision by end 2020
 - c) (Repeat of 1.G.1.b): Develop an environmentally sustainable approach to transport that promotes modal shift to no / low carbon modes of transport, especially walking, cycling and public transport. This should also be added to their Local Plan review
 - d) Support the wider use of electric vehicles (cars and bicycles), and to install an adequate number charge points in suitable, secure parking spaces that are reserved for those vehicles
 - e) Radically expand the range of materials and product types that are collected kerb-side for recycling in 2020/21 provided official NTC feedback
- 7. Encourage local community groups to set up market stalls at no / heavily reduced fees to promote green initiatives e.g. refillables

4: Focused support for young people, the elderly, minorities & the vulnerable

A. Provide funding to organisations which support youth work in Newbury

- Launch a new fund dedicated to delivering much needed outreach youth work for Newbury, running from April 2020 to March 2024. This fund will form part of the budget for the next 4 years to enable our partners to plan effectively and deliver the best possible outcomes
- 2. Provide funding support for youth work initiatives at the Greenham Community Youth Project at the Nightingales, and the Riverside Centre in Clay Hill

B. Support initiatives to make Newbury a more inclusive town

- 1. Support our minority communities where possible by working with relevant local groups such as Community United
- 2. Support dementia-friendly initiatives to help the elderly in our community:
 - a) Explore NTC becoming an accredited dementia-friendly organisation
 - b) Organise dementia-awareness training for all members and officers by Q1 2020, and then display accreditation on NTC website
 - c) Dementia-friendly training planned for first quarter following successive elections
 - d) Completed 2020/21: Ensure the design of the new café in Victoria Park considers the needs of those with dementia, and encourage the café operator to embrace dementia-awareness training and practices
- 3. Specialist Changing facilities:
 - a) (Repeat of 1.F.2.i) By end Q2 2020, explore options for the best location for a specialist hoist in at least one public toilet in Newbury that will enable carers to change older children / young people on the changing table when needed rather than on the floor.
 - b) (Repeat of 1.F.2.ii) Install as soon as practical, and by Easter 2022 at the latest (was mid 2021)
- 4. We will strive to ensure that our policies and actions do not exclude any sections of the community, and that our services are accessible by all citizens of the town

C. Work with local organisations which support the homeless in Newbury

1. Ensure NTC has permanent representation on WBC Homeless committee to stand up for the needs of the homeless in Newbury

20

Our Action Plan

Making Newbury a town we can all be proud of

Our Approach – Part 1 = combined pre-amble sections from current strategy Newbury Town Council, its Members and its Officers will:

- 1. Encourage public engagement with both the Town Council and local democracy.
 - 1. Encourage public attendance and questions at Council meetings
 - 2. Be visible, relevant responsive and accountable to our residents:
 - 3. Make ourselves available to the public by holding regular surgeries street / ward / Town Hall steps / other locations
 - 4. Actively seek to hear the needs, desires and ambitions of the people in Newbury, and respond as quickly and as comprehensively as possible within the limits of our resources and other constraints.
 - 5. We will represent the views of the people of Newbury when working with other partners and stakeholders or other bodies, both local and national, who can improve the quality of life for our citizens.
 - 6. Continually improve and upgrade our website and social media in order to engage and consult the people of Newbury
 - 7. Publish a monthly digital newsletter covering important events and achievements of the Town Council

2. Promote cultural identity and equality of opportunity

1. We will strive to ensure that our policies and actions do not exclude any sections of the community, and that our services are accessible by all citizens of the town. (See also Our Action Plan 4.B.4&5).

3. Exercise sound governance and best practice to ensure efficient and cost-effective delivery of services:

- 1. Deliver services effectively, efficiently, on time and within budget
- 2. Use direct labour or contractors as appropriate, and always ensure value for money
- 3. Use local suppliers wherever possible
- 4. Deliver services in partnership with others when it offers best value and/or can expand the range of services we provide
- 5. Work with other partners and stakeholders to achieve efficiency savings in service delivery and where appropriate, expand the range of services provided by the Town Council.
- 6. Minimise waste created by the Council and the services we provide
- 7. Maximise opportunities to recycle waste created by the Council and the services we provide wherever possible

Making Newbury a town we can all be proud of

Our Approach – Part 2 = Policy Area 3 from current strategy Newbury Town Council, its Members and its Officers will:

1. Exercise Good Governance and best practice to ensure that we are open, transparent and accountable

- 1. We will maintain openness and transparency in our actions and decision making
- 2. We will make our information, public meetings and records as widely accessible as practically possible
- 3. We will maintain an up-to-date public website that is informative and easy to access and use
- 4. We will publish and distribute an annual newsletter, with the Precept Leaflet and encourage residents to give feedback (modified)
- 5. We will consult on issues of significance to Newbury, using tools such as public meetings, surveys, questionnaires, petitions, etc.
- 6. We will respond promptly to complaints and act as quickly as possible to resolve them.
- 7. We will maintain the assets of the Town Council and ensure public access to them
- 8. We will constantly monitor and review Newbury Town Council's current asset register to ensure that we are getting best use/value of the assets
- 9. We will regularly review whether it is in the best interest of our residents and NTC to take over responsibility for services and / or ownership of assets from other organisations
- 10. We will keep abreast of all relevant legislative changes impacting on our activities and services
- 11. We will report quarterly on our performance against KPI's and review our KPI's to ensure that they are relevant and appropriate
- 12. We will report every 3 months on our progress towards achieving the short- and medium-term projects contained in this Strategy
- 13. We will review this Strategy annually and make any appropriate amendments, additions or deletions.
- 14. We will continually review our work practices and purchasing arrangements to drive efficiencies and ensure best value for the people of Newbury
- 15. We will embrace technological advances to progress smarter working methods, where feasible, in order to reduce waste and be more efficient
- 16. We will continually review our Committee structures and Working Groups and implement any improvements identified
- 17. We will continue personal development for Members and Officers so that they are suitably equipped with knowledge and skills to carry out their roles and maintain effective working practices, fulfilling their duties and responsibilities to residents professionally and effectively.
- 18. We will exercise best practice as an employer, promoting fairness and equality for our employees and volunteers

- People
 - 23 Councillors (Members), elected every 4 years responsible for setting the strategy and budget
 - 16 staff (including part-time and honorary staff) responsible for advising Members, and delivering the strategy and ongoing services

Decision Making

- Full Council, Committees and Sub-Committees can make decisions
- Working Groups make recommendations to their parent committee which then decides whether to implement

• Meetings, Committees and Working Groups:

Newbury Town Council

Budget 2021-22

Reports to the Policy and Resources Committee, 18 January 2021.

The full details of the updated strategy (Appendix 2) and budget (Appendix 3) can be found in the papers, along with a combined summary presentation a presentation of both. Here are some of the key strategic projects for 2021/22:

- Open the new Community café and public toilets in Victoria Park by easter 2022
- Expand our support of youth work with new funding for the Community Youth Project in the Nightingales and The Riverside Centre in Clay Hill
- Further actions to address the climate emergency:
 - Further reduction in our carbon footprint of at least 7 tonnes
 - A new wildflower meadow for Victoria Park
 - Biodiversity survey for the public open space at Wash Common
- Carry out a detailed consultation on improvements to the public open space at Wash Common
- Support for key community groups: Community United, Greenham & Crookham Common Commissioners, Friends of Speen Moor, the Newbury Lido CIC
- Provide a strong lobbying voice for Newbury residents, in particular into:
 - Newbury Town Centre Masterplan 2036, including permanent pedestrianisation of the Market Place
 - London Road Industrial Estate development plans, including Newbury Community Football Group
- Continue our programme of maintenance to ensure safety of our buildings and our trees
- Continuing to support other bodies working for the benefit of communities in Newbury, such as Citizens' Advice and Newbury BID
- Enabling more flexible, remote and smarter working for Council staff to improve our response to any emerging situations
- Explore options to provide additional allotments (Our current allotments are full, with waiting lists for any vacancies that might arise)

We have also had to make provision for the following additional costs:

- £6,500 for a bye-election to fill the vacancy in the Clayhill Ward,
- Increased unscheduled maintenance costs to deal with growing vandalism issues, including property damage and graffiti

The proposed precept due for the average Band D property is £87.78, an increase of 2.25% or 3.7 pence per week.

Newbury Town Council Budget 2021/22 – Report for P&R on 18th January 2021

Significant Delivery Despite Challenges of Covid-19

- NTC has successfully delivered several key objectives in Year 1:
 - Major upgrade to the City Recreation Ground, and playgrounds at Skyllings and Walton Way
 - Significant progress on proposed new Community Café and public toilets for Victoria Park
 - Redesigned to be carbon neutral in operation and target BREEAM Excellent in construction
 - Detailed plans submitted for planning approval in November 2020
 - Started a new 3 year partnership with Berkshire Youth to provide outreach youth work
 - Significant steps on sustainability:
 - Reduced carbon footprint by 25.8 tonnes vs target of 7 tonnes (which equates to 37% of our directly generated emissions)
 - Held 2 climate conferences and launched a new Climate Grant
 - Significant tree planting and new wildflower meadow
 - Began a much needed programme of maintenance to ensure safety of our buildings and our trees
 - Consultation / planning responses on LRIE (incl NCFG), Sandleford, the Local Plan, Newbury Town Centre Masterplan 2036

• NTC has successfully maintained core services during lockdown restrictions:

- Kept the Thursday and Saturdays markets open throughout, and they're now really thriving again
- Allotments at 100% capacity
- Tennis court membership and usage increased dramatically post lockdown 1
- Awarded grants to local organisations who are providing support to residents during Covid-19
- Ongoing support for Citizens Advice, town centre CCTV, and Christmas Lights
- Mayoral support for and appreciation of our residents and businesses
- Officers safely and effectively working from home; council meetings all remote via Zoom with full public participation

4

Summary of Key Strategic Actions 2019-2024

Making Newbury a town we can all be proud of

Public Report

To: Policy and Resources Committee, 18 January 2021.

Agenda Item: 8: Engagement and Consultation Policy

Recommendation: To approve The Engagement and Consultation Policy for Newbury Town Council.

Introduction

Newbury Town Council's community engagement and consultation activities have been brought together into one overarching framework for the Council so as to better coordinate how we consult and engage with our community and to give Newbury residents more opportunities to have their say on the services the Council provides.

This policy acknowledges the Council's genuine desire to place consultation and engagement at the heart of our role in championing the needs of our community and involving them in decisions that affect them. We are committed to delivering services, policies and strategies that reflect local priorities, requirements and aspirations. The Policy sets out the matters we will consider when developing a consultation and engagement exercise to ensure that all relevant members of the community have a voice in the debate around how services are delivered. It acknowledges the need to provide appropriate opportunities for the community to participate at whatever level they wish to influence the provision of services, decision making and policy development.

Engagement

The aims of our Engagement Strategy are:

- To improve the way in which we engage with our residents
- To improve the quality and value of our policy and decision-making processes by taking into account the views of the residents and other stakeholders concerned
- To ensure that residents and other stakeholders have been offered the opportunity to be involved in key decisions affecting them
- To inform residents of Council plans, policies, decisions and outcomes
- To ensure that residents are consulted on key issues,

Community engagement is about giving local people a voice and involving them in decisions that affect them and their community. We will provide the opportunity for residents of the Town to express their views on matters that are important to them. This will inform and advise the Town Council and improve the quality and value of our policies and decisions on behalf of our residents.

Community Engagement also enables the Town Council to consult with and inform the residents about what services it provides, and explain how, when faced with limited financial resources, it prioritises those services, and it enables the Town Council to tell them how we are performing against our Plan and targets.

Objectives

The key objectives of the Engagement and Consultation Policy are to:

- Provide and receive information
- Seek opinions
- Improve the quality and value of the Town Council's decision making
- Encourage effective local community engagement
- Publish accurate information about the work of the Town Council
- Identify what is important to the residents, and consider and prioritise those needs
- Encourage participation in the development of services and understand how the Precept is spent

General Principles

The key aspects of engagement include:

- Clear, honest and regular communication of important information, which is accessible to everyone in the Town
- Providing accurate information that explains the significance of issues faced by the Town, what the options are and how we intend to deal with the issues
- Listening, understanding, and acting on information provided to us, and
- Responding to all concerns raised by residents

How we engage

- We provide opportunities for residents to have their say in key decisions affecting the Town. All meetings of the Town Council are open to the public and Press, and information is published on the website and the Town Hall notice board
- Members of the public can ask questions at any meeting of the Council or any of its Committees
- We provide regular opportunities for face-to-face discussion with a Councillor by means of weekly surgeries, held on Saturday mornings on the Town Hall steps
- We provide a broad range of information on the Town Council website
- We encourage residents to write to us with their concerns through our "Ask The Leader" page on the Town Council website
- We actively promote our plans on the website and through our monthly newsletters
- We use our Facebook account to reach those who regularly use those communication tools
- We ensure that all meeting dates are advertised well in advance and that the relevant statutory notices are published in good time before each meeting
- We make our policies and procedures available through the website
- We continue to represent Newbury Town Council and the community of Newbury through consultations and attendance at meetings of outside bodies, to ensure the needs of our Town are made known and promoted
- We hold an annual Town Meeting to encourage Community Engagement

Communication with the Local Community & Stakeholders

We are committed to improving our community engagement by:

- Undertaking all of the above activities and striving to improve our relationships with community groups and other agencies and stakeholders that can assist us in our endeavours, including developing measures to harness the views and opinions of people who are sometimes missed out of community engagement activities.
- We will be proactive and willing to consider all means of getting information to the local community and in trying new ways of increasing feedback from them.
- We will continue joint venture working and shared services with local or District groups and organisations that may be able to assist us in achieving our aims
- We will promote our achievements and actively encourage residents to join us as Members of the Town Council.
- We will promote Town Council elections, the importance of the democratic process, and the value of being a Town Councillor.
- We will seek volunteers for community projects and promote the value of volunteers to the Town

Consultations

Much of the work of the Council is guided by the Strategy 2019-2024. However, there may be circumstances when the Council wishes to seek the views of local people on a proposed project, action or policy. In such circumstances, a consultation may be conducted and this policy aims to set out how such consultations may take place.

Newbury Town Council already engages and consults on a wide range of issues utilising many different forms of engagement. The purpose of this policy is to ensure there is a consistency to the way in which we plan, develop and share learning from consultations to influence the way in which we provide services in the future.

A consultation will not be carried out in connection with any action required to be carried out by the Council by law or where a project, action or activity is proposed on the grounds of health and/or safety or in connection with required repairs and maintenance, or in any circumstances where the proposed project, action or activity is outside the power of the Parish Council to undertake.

We will carry out appropriate consultation before making any new policy or decision which will impact on residents, communities or other stakeholders. In designing a consultation we will have regard to

- The scale of the proposal,
- The cost of the proposal
- the geographical range of any impacts and/ or benefits and the residents/ communities who may be effected by the proposal
- The timing of the consultation and the length of the consultation period and
- The cost of the consultation

Having regard to the above, the Council may employ any one or all of the following consultation methods:

- a) Handing or posting the consultation to those most likely to be impacted
- b) Notices in local media outlets
- c) Notices on notice boards
- d) The use of the Council's website and online survey/ consultation methods
- e) Directly consulting relevant partners, stakeholders or other community/ voluntary organisations
- f) Directly consulting local residents known to have particular knowledge or interest in the matter
- g) Holding meetings virtually or in physical venues
- h) Face to face informal surveys
- i) Formal written questionnaires
- j) Telephone surveys
- k) Interviews

Wherever possible, the consultation will include the following:

- A brief explanation of the nature of the project/activity
- A clear indication that the consultation is being undertaken by Newbury Town Council
- A statement indicating that the results of the survey/questionnaire will be used to inform Town Councillors who will remain responsible for making a decision on the matter
- An opportunity for members of the public to add comments about the project/activity
- A clear indication of when the questionnaire is to be returned and to which address

When proposals come before the relevant committee, the recommendation to Members will include details of the proposed consultation approach. This will ensure Members actively approve both the plans and the consultation approach.

The elected councillors will be encouraged to promote the consultation, engage with residents and improve the response rate. Their involvement is crucial to the success of a good consultation. They are strategically placed in the community to build relations with residents and often well known to residents in their locality.

We will make available via our website, the results of any public consultation or survey that affects the Town.

Parish Council decisions can only be made by Parish Councillors in a duly convened meeting. The results of a consultation will be used solely for the purpose of informing parish councillors of the general wishes of those consulted. The Council is required to take the needs of the Town as a whole into account when making decisions and not just reflect the wishes of a minority which may conflict with the needs of the parish as a whole. Thus, the results of a neighbourhood consultation will not be binding on any final decision of the Parish Council.

Feedback on the results of a survey will be made available to members of the public where appropriate through the Minutes of meetings at which the results are discussed. A separate notification of the results may be given to those surveyed if the Town Council so chooses, either through a separate written notification or a notice on a nearby noticeboard for example.

Public Report To: Policy and Resources Committee Meeting Date: 18 January 2021 Title: Internal Audit Report Recommendation: To receive the report of the Internal Auditors and approve the recommendations therein

Background

Statute requires all town and parish councils to arrange for an independent internal audit examination of their accounting records and systems of internal control and for the conclusions to be reported each year in the Annual Governance and Accountability Return (AGAR). Newbury Town Council has appointed Auditing Solutions to carry out this role.

The attached report sets out the work undertaken in relation to the 2020-21 financial year, during the initial interim review of the Council's records for the year, which was undertaken remotely, due to the ongoing Covid-19 situation and restrictions, in early January 2021.

The period covered by the review, the first 9 months of the 2020-21 financial year, covers a period when the Council was suffering from staff losses and working through the pandemic. In the circumstances, I am very pleased with the findings of the internal auditor and I would like to record my appreciation for the work done by Margaret Gore and Angela Herrington in achieving this outcome.

Issues Arising

4 issues are reported for action as follows:

1. Consideration should be given to aligning the Council's Standing Orders more closely to the NALC model document including appropriate and detailed reference to the Council's formal contracting arrangements.

Recommendation: This matter will be addressed at the annual review of Standing Orders.

2. Expenditure incurred should only be reallocated from one budget heading to another where a genuine miscoding has occurred in processing the original entry.

Recommendation: Where such overspends do arise, members will be made aware of the reasons for such overspends and approve them. Unless a genuine miscoding has occurred, the original posting should stand unamended.

At year end, Members may approve an appropriate virement of funds from an underspending budget heading if considered appropriate. 3. In accordance with the requirements of the Governance and Accountability Manual – The Practitioner's Guide – 2020 edition, only the cost of staff employed and paid through the Council's payroll should be charged against staff cost codes in the AGAR at Section 2 Box 4.

Recommendation: Only the cost of staff employed and paid through the Council's payroll will be charged against staff cost codes.

4. The Council should determine whether the percentage contribution for the one highlighted employee should be amended in future months with, potentially, reimbursement made for over-deducted contributions in earlier months of the year.

Recommendation: The matter will be referred to our Payroll consultants, DCK, for determination and any reimbursements due will be paid to the relevant employee.

Internal Audit Report 2020-21 (First interim)

Stuart J Pollard

Director Auditing Solutions Ltd

Background

Statute requires all town and parish councils to arrange for an independent internal audit examination of their accounting records and systems of internal control and for the conclusions to be reported each year in the Annual Governance and Accountability Return (AGAR).

This report sets out the work undertaken in relation to the 2020-21 financial year, during our initial interim review of the Council's records for the year, which was again undertaken remotely, due to the ongoing Covid-19 situation and restrictions, in early January 2021. We wish to thank the CEO and his staff for assisting the process, providing all necessary documentation in electronic format to facilitate commencement of our review for the year.

Internal Audit Approach

In undertaking our review, we have again had regard to the materiality of transactions and their susceptibility to potential mis-recording or misrepresentation in the year-end Statement of Accounts / AGAR. Our programme of cover is designed to afford assurance that the Council's financial systems remain robust and operate in a manner to ensure effective probity of transactions and to afford a reasonable probability of identifying any material errors or possible abuse of the Council's own and the national statutory regulatory framework. The programme is also designed to facilitate our completion of the 'Internal Audit Report' in the Council's AGAR, which requires independent assurance over a series of internal control objectives.

We hope to be able to conduct the interim update and final reviews on site in the spring and summer and will liaise with the CEO to determine the approach to be taken nearer that time, which will obviously be dependent on the prevailing Covid situation.

Overall Conclusions

We are pleased to advise that, based on the work undertaken to date, officers continue to maintain adequate and effective internal control arrangements with a few issues identified requiring attention. Details of those issues are set out in the following detailed report with any resultant recommendations further summarised in the appended Action Plan: we ask that the report be presented to members and a formal response be provided in advance of our next visit / review to those recommendations indicating the actions taken and / or in hand at that time.

Detailed Report

Review of Accounting Arrangements & Bank Reconciliations

The Council maintains its accounting systems using Omega software with two bank accounts in place ("Current" and "Officers"), the latter primarily for electronic card usage purposes. Separate cashbooks are in place for these two accounts, plus a further cashbook for petty cash account transactions in the Omega accounts. Surplus funds are on deposit with CCLA in the Public Sector Deposit Fund (PSDF).

Our objective here is to ensure that the accounting records are being maintained accurately and currently and that no anomalous entries appear in cashbooks or financial ledgers. Consequently, we have to date: -

- Verified the accurate carry forward of the 2019-20 closing balances in Omega to the current year opening Trial Balance;
- Ensured that an appropriate Cost and Nominal Account coding structure remains in place;
- Reviewed two sample months transactions (April and November 2020) on both the Current and Officers' accounts cashbooks agreeing detail to supporting bank statements;
- Verified the year to date PSDF transactions by reference to the underlying monthly advices notices of interest earned; and
- Checked and agreed the software based bank reconciliations as at 30th April and November 2020 to ensure that there are no long-standing, uncleared items or other anomalous entries arising.

Conclusions

We are pleased to record that no issues have been identified in this area currently warranting formal comment or recommendation. We will undertake further work at future reviews checking a further two months' transactions on the "Current" and "Officers" accounts and the remaining transactions for the year on the PSDF account and year-end bank reconciliations on each. We will also ensure the accurate disclosure of the combined year-end cash and bank balances in the AGAR at Section 2, Box 8.

Review of Corporate Governance

Our objective here is to ensure that the Council has robust corporate governance arrangements in place; that Council and Committee meetings are conducted in accordance with the adopted Standing Orders (SOs) and that, as far as we are reasonably able to ascertain as we do not attend meetings, no actions of a potentially unlawful nature have been or are being considered for implementation.

We have commenced our examination of the minutes of Full Council and its extant Committee meetings (with the exception of Planning & Highways) to November 2020 with no issues identified.

We noted in last year's report that the Council's extant SOs and Financial Regulations (FRs) had been the subject of periodic review and re-adoption: our examination of current year's minutes identified that the SOs were amended to reflect Government's advice as regards holding meetings remotely in relation to the Covid situation with a minor revision to the FRs approved in relation to the Reserves Policy approved, the latter being approved at the October 2020 Policy & Resources (P&R) Committee meeting.

Whilst the FRs are in line with the latest NALC model document making appropriate reference to the Public Contracts Regulations with a tender limit of £25,000 in place, the SOs make no reference to contracting arrangements and are not wholly in line with the latest NALC model document.

We are pleased to note that the Council properly considered the criteria for re-adoption of the General Power of Competence subsequent to the local elections in May 2019 as minuted appropriately.

We are also pleased to note that the 2019-20 AGAR was duly signed off by the external auditors with no formal comments or issues recorded.

Conclusions and recommendation

Whilst no significant concerns or issues arise in this area currently, we suggest that further consideration should be given to the inclusion of more detailed content in the Standing Orders in relation to the Council's contracting arrangements, also bringing the document more closely into line with the NALC model.

R1. Consideration should be given to aligning the Council's Standing Orders more closely to the NALC model document including appropriate and detailed reference to the Council's formal contracting arrangements.

Review of Expenditure and VAT

Our aim here is to ensure that: -

- Council resources are released in accordance with the Council's approved procedures and budgets;
- Payments are supported by appropriate records, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and/or an acknowledgement of receipt, where no other form of invoice is available;
- An official order has been raised for the acquisition of goods or service delivery, where one would be anticipated;
- All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount;
- > The correct expense codes have been applied to invoices when processed; and
- VAT has been appropriately identified and coded to the control account for periodic recovery.

We have commenced our review of procedures and physical payments in this area noting that, due to the Covid situation, revised processing arrangements have of necessity been

5

implemented: we have reviewed detail of those procedures as provided by the Corporate Services Officer (CSO) and consider them appropriate given the ongoing situation.

We have selected a sample of payments processed in the year to early December 2020 to check for compliance with the above criteria including all those payments individually in excess of \pounds 4,000, together with a more random selection of every 40th cashbook transaction (irrespective of value). Our test sample includes 46 individual payments plus 3 Non Domestic Rates annual bills totalling £660,900 and equating to 62% by value of all non-pay expenditure for the year to that date. We are pleased to report that no issues have been identified in this respect with all payments meeting the above criteria, although, at the time of issuing this report the CSO is continuing to search for a few documents that she has to date been unable to trace due to her remote working. We have issued the report at this stage so that the CEO may include it in and present it to the next scheduled meeting: we shall follow up on the "missing" documents at the time of our next review visit, unless the CSO can find and forward copies to us in the meantime.

We note that VAT returns continue to be submitted electronically on a regular quarterly basis and have verified that the final 2019-20 quarter's reclaim plus the first two quarterly reclaims for 2020-21 have been submitted and repaid by HMRC with the totals agreeing to the relevant Omega nominal control account.

Conclusions

We are pleased to record that no issues arise in this area currently to warrant formal comment or recommendation: we will extend our test sample to cover the remainder of the year at future visits, also hoping to examine the currently untraced documents.

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage those risks identified in order to minimise the opportunity for their coming to fruition.

We have noted previously that the Council has a formal Risk Management Strategy in place supplemented by a detailed Strategic Risk Register which has been reviewed and re-adopted by the Policy and Resources Committee at the October 2020 meeting.

The Council's insurance cover is provided by Zurich: we have examined the insurance schedule running to August 2021 noting that the Council's premises, street furniture and other equipment are appropriately insured together with Public and Employer's Liability set at £15 million and £10 million respectively, Fidelity Guarantee cover at £2 million and "Business Interruption - Loss of Revenue" cover in place at £396,795 all of which we consider appropriate for the Council's present requirements.

Conclusions

No issues arise in this area currently to warrant formal comment or recommendation.

Precept Determination and Budgetary Control

We aim in this review area to ensure that the Council has appropriate procedures in place to determine its future financial requirements leading to the adoption of an approved budget and formal determination of the annual precept; that effective arrangements are in place to monitor budgetary performance throughout the financial year and that the Council has identified and retains appropriate reserve funds to meet future spending plans.

This review took place in advance of the Council's formal deliberation and determination of the budgetary and precept requirements for 2021-22: consequently, we shall revisit this area as part of our next / final review.

We are pleased to record that members continue to be provided with sound, periodic and comprehensive management accounting information to provide an appropriate means for monitoring budgetary performance during the current year.

We also noted from our review of the P&R Committee minutes that the Committee approved various transfers of expenditure to 30^{th} September 2020 to other nominal account codes as the charged codes were overspent. Whilst we appreciate that certain of these items had purely been miscoded and require appropriate recoding by journal, there is no need to transfer any expenditure from an overspent heading. This is particularly salient in relation to the first two and the sixth items referred to in minute no. 35, as the intended / minuted recipient code (100/4000) for the three indicated items (Professional fees – 100/4255 and IT - 100/4250 & 220/4255) is a staff cost code and non-pay related expenditure should not be charged to this code, as it would impact on the expenditure analysis in the AGAR at Section 2. We do, however, note that none of the proposed changes have, as yet been actioned and urge that caution be exercised in any corrective action to be taken.

We have reviewed the latest available Omega budget report (to 30th November 2020) and, whilst noting a few areas of overspend, including those included in the above P&R Committee minute, have seen no other areas of significant variance form the anticipated levels at this stage of the financial year. Further in relation to the above, we do not consider it good practice to transfer areas of overspent expenditure to underspent budget headings: where such overspends do arise, provided members are aware of the reasons for such overspends and approve them, we consider that, unless a genuine miscoding has occurred, the original posting should stand unamended.

Conclusions and recommendation

As indicated above, we consider it essential that adjustments to charged expenditure from one code to another should only be actioned where a genuine miscoding has occurred: where significant overspends do arise, members should be apprised of the position and approve an appropriate virement of funds from an underspending budget heading if considered appropriate.

We shall undertake further work in this area at future visits, including ensuring the 2021-22 budget and precept are formally approved and adopted, examining the year-end budget outturn and considering the ongoing appropriateness of retained reserves to meet the Council's ongoing revenue spending plans and development aspirations.

- R2. Expenditure incurred should only be reallocated from one budget heading to another where a genuine miscoding has occurred in processing the original entry.
- R3. In accordance with the requirements of the Governance and Accountability Manual The Practitioner's Guide – 2020 edition, only the cost of staff employed and paid through the Council's payroll should be charged against staff cost codes in the AGAR at Section 2 Box 4.

Review of Income

The Council receives income from a variety of sources in addition to the annual precept: we have agreed a five-year strategic plan of cover of these areas with the Council and will continue to review income streams in accordance with that plan. However, due to the impact of the Covid pandemic at the close of 2019-20 necessitating our undertaking the final review remotely, we have focused attention on income arising from cemetery and allotments at this first review for 2020-21.

We noted last year that members had approved various scales of fees and charges for 2020-21.

Cemetery: The Community Services Officer has kindly provided us with a selection of ten interments occurring in the latter months of 2020 together with the supporting undertaker application forms and Burial / Cremation certificates. We have ensured that the appropriate fees have been charged and recovered in accordance with the approved scales of fees and charges with no issues arising. We understand and appreciate that, due to the Covid situation and the need for staff to work at home, the formal Burial Register has not been updated to record all interments in the year to date and will examine the register at a future visit to ensure that it has been updated appropriately.

Allotments: The Council operates several allotment sites with rents charged to tenants appropriately with effect from 1st April annually, control being exercised through the RBS Allotments software package.

Whilst the rental year runs from 1st April, invoices are generally issued early in the calendar year with a number of tenants paying their fees well in advance of 1st April. Consequently, income received in advance of 31st March is coded to a control account (Code 560) as "Receipts in Advance" which is then effectively "reversed" in the new financial year to show the allotment income appropriately in the relevant financial year's accounts.

The Community Services Officer has provided us with a schedule, generated from the Allotments software, of payments received between 1st March and 30th November 2020. We have, consequently, checked that detail to the underlying Omega accounting records (Cashbook and nominal income transaction report) with no issues arising.

Conclusions

No issues arise in this area currently to warrant formal comment or recommendation other than to record, as above, that we will undertake further work in this area at our final review visit for the year.

Petty Cash Account

We are required, as part of the annual Internal Audit reporting process, to consider the controls in place over operation of any petty cash accounts in use at the Council. Whilst the amounts involved in this respect are relatively small, they are potentially higher risk with cash handling involved.

We note that only one month's transactions are recorded on this account in June 2020 in the current financial year and will, consequently, examine the operational controls in this respect at our next physical visit.

Review of Staff Salaries

In examining the Council's payroll function, we aim to confirm that extant legislation is being appropriately observed as regards adherence to the Employee Rights Act 1998 and the requirements of HMRC legislation as regards the deduction and payment over of income tax and NI contributions, together with meeting the requirements of the local government pension scheme as amended periodically with regard to employee percentage contribution bandings.

We have previously examined the operative payroll procedures and considered them sound with payroll production outsourced to DCK Accounting using bespoke IRIS payroll software. A national pay award was approved effective from 1st April 2020 and this has duly been implemented by the Council / DCK Accounting with the October 2020 payroll run including arrears backdated to 1st April.

We have, consequently, acquired detail of staff in post in both September and October 2020; their salary points on the national spinal scale and their basic weekly hours where not employed full time: we have also examined both months' payslips, undertaking the following specific work: -

- We have agreed the salary rate paid to each employee in September for each employee to the approved salary scales;
- ➤ We have agreed the revised / uplifted salary paid in October for each employee, together with the arrears of pay due from 1st April 2020;
- ➤ We have verified the accuracy of tax and NI deductions in both months based on the gross salaries payable to each employee by reference to the relevant HMRC tables; and
- > Finally, we have checked to ensure that the correct LG Pension Scheme percentage deductions rates have been applied in both months.

Conclusions and recommendation

We are pleased to report that only one issue has arisen in this review area: in checking the percentage contributions, we noted that the Town Hall Caretaker's pension deduction has been calculated at 6.5%, whereas the correct rate to be applied given his usual monthly gross salary should be 5.8% in accordance with the national agreement: the employee will gain no benefit from paying a higher percentage contribution. We have discussed the position with the CEO and also DCK Accounting and understand that the employee's salary was in the 6.5% banding previously and has not been adjusted to date.

R4. The Council should determine whether the percentage contribution for the one highlighted employee should be amended in future months with, potentially, reimbursement made for over-deducted contributions in earlier months of the year.

Investments and Loans

Our objectives here are to ensure that the Council is "investing" surplus funds, be they held temporarily or on a longer term basis in appropriate banking and investment institutions; that an appropriate investment policy is in place; that the Council is obtaining the best rate of return on any such investments made and that interest earned is brought to account correctly and appropriately in the accounting records.

We also aim to ensure that any loan repayments due to or payable by the Council are transacted in accordance with appropriate loan agreements.

The Council invested £250,000 in the CCLA PSDF which we have previously verified to their third party advice note: we note from subsequent statements that dividends are duly received monthly and added to the capital investment sum in the Omega control account. We have duly, as indicated in the first section of this report, checked the accurate recording of the year to date dividends received noting that, as with all investments, the rate of interest / dividend payable has reduced significantly during the year as a result of the Covid situation.

The Council has one outstanding PWLB loan in place, repayable half-yearly on receipt of their third party demand notice: we have, as part of our above payment review at this first review for 2020-21, noted repayment in September 2020 of the year's initial instalment.

Conclusions

No issues arise in this area currently to warrant formal comment or recommendation. We shall undertake further work at our year-end review, including ensuring accurate disclosure of the year-end PDF balance and outstanding loan liability in the AGAR Section 2, Boxes 8 & 10 respectively.
