VICTORIA PARK FAMILY DAY RETURNS FOR 2025!

Newbury Town Council is inviting everyone to Victoria Park for a Family Day on Sunday 1 June, 12-4pm. The Mayor of Newbury will open the event at 12 noon, kicking off an afternoon of entertainment and activities for all ages.

Enjoy live performances, including Punch & Judy, music from Watership Brass, Rude Not 2, and Razzamataz Theatre School. Kids can climb the climbing wall, explore the caving adventure, and check out a fire engine and police car.

There'll be food and refreshments, from BBQ to cakes and ice cream, and stalls from groups like Rugby Tots and the Bowls Club. Don't miss free tennis taster sessions, adventure golf, the Splash Park, Skatepark, and our brand-new outdoor gym.

Cllr Gary Norman, Leader of the Council, said:
"We're excited to welcome families to a fun and safe day out in the park."

VICTORIA PARK COMMUNITY CAFÉ DEVELOPMENT

Newbury Town Council is pleased to share an update on the new café development at Victoria Park.

We are pleased to announce that planning permission has officially been granted by West Berkshire Council for the new community café refurbishment at Victoria Park. This much-anticipated project promises to offer a welcoming space for park visitors, families, and local residents to relax and enjoy refreshments in the heart of our green space.

Cllr Roger Hunneman, Chair of the Town Council's Victoria Park Sub-Committee said, "The project will move to the next stage on 29 April 2025, when we open the tender process to construction companies. We are particularly eager to hear from local developers, as we aim to support the local economy while delivering a space built with community values in mind. Please see our website: www.newbury.gov.uk for more information. We are aiming for the café build to be completed before the end of the year, in time for residents and visitors to enjoy it during the festive season
