

NEWBURY
Town Council

**Your Wedding at
Newbury Town Hall**

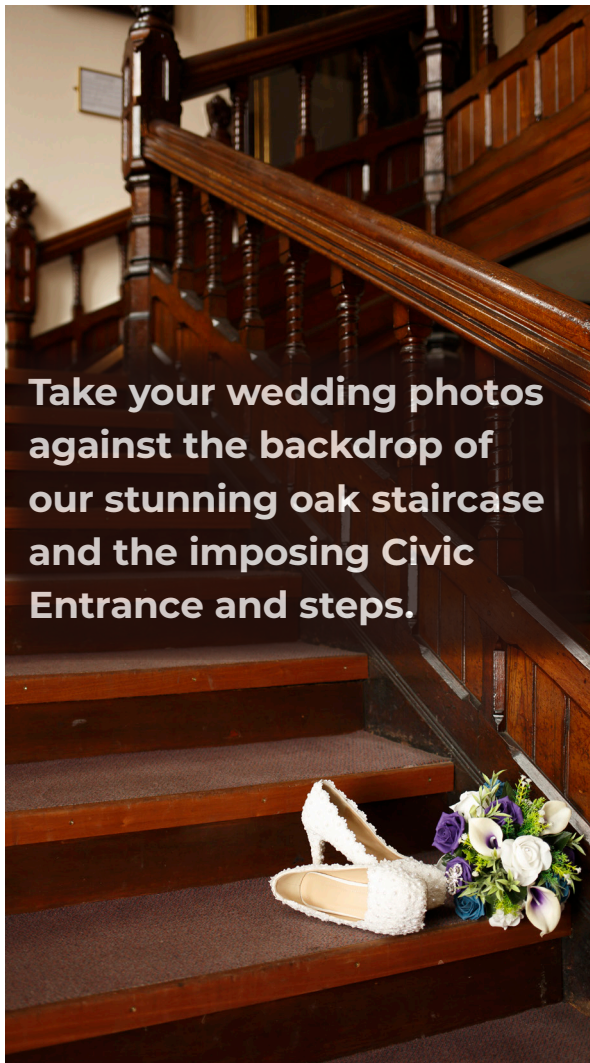

Newbury Town Hall, the distinctive, historic, landmark building in the heart of Newbury is now available for Wedding Ceremonies and Civil Ceremonies, and can also be hired as a venue for receptions.

The Town Hall Chamber, with its distinctive oak panelling and beamed ceiling creates a memorable and atmospheric setting for a wedding ceremony or reception.

The Chamber seats up to 55 wedding guests, and the booking includes an hour before and after the ceremony for decorating the chamber if you wish. You can also use this time to set up for live music during the ceremony, and for a champagne toast afterwards. Additional time can be booked by the hour. Staff at the Town Hall will work with you to help you realise the wedding you want, whether it is simple or elaborate!

Having a town centre wedding has many advantages; the Town Hall is close to the train and bus stations for guests arriving from out of town, and there are many pubs, restaurants and hotels close by for holding pre or post wedding drinks or meals, and of course for those who want to stay for a night or two.

After your wedding ceremony you could also use the Chamber for your reception. The Town Hall has a well equipped kitchen adjacent to the Chamber, and you can use a catering company of your choice or even self-cater. The Chamber is licensed for live music, and can be hired until midnight.

Take your wedding photos against the backdrop of our stunning oak staircase and the imposing Civic Entrance and steps.

Exchange your vows under the beautiful Victorian Town Hall hammer beam ceiling

Before booking the Town Hall Chamber for your wedding ceremony, you must first book the West Berkshire registrar, who can be contacted on:
