# About Us

Newbury Town Hall, a historic landmark building in the heart of Newbury Town Centre, is an ideal location for celebrating special occasions. The vicinity offers various accommodation options like hotels and pubs for pre or post-wedding gatherings.

Licensed for weddings and available for hire as a wedding reception, creating the perfect location for both you and your partner to say your 'I do' then celebrate, with your guests after.

Being licensed for music allows you to dance and celebrate until midnight. Our fully equipped kitchen gives you the flexibility to use catering of your choice, making the reception celebrations as unique as your love story.

We offer white chair covers and sash hire with various colours options, we are always adding new colours.

- Royal Blue
- Baby Blue
- Baby Pink
- Light Purple
- Red
- Teal Green

The Town Hall offers the chance to capture remarkable photos in various locations, including the oak-panelled chamber, the oak staircase, and the civic doors. Additionally, picturesque spots like Lock Island and Victoria Park in the town centre provide beautiful backdrops for unforgettable photos.

Exchanging your vows in our council chamber provides a unique, atmospheric and intimate setting, with seating up to 55 guests.
