MEET A TOWN COUNCILLOR

Your Town Councillors are here to listen in Newbury.

Have a question, concern, or idea for the town?

Town Hall steps

Saturdays, 10am-12pm

Discuss local issues, learn about Town Council services, and share ideas for Newbury's future.

VICTORIA PARK FAMILY DAY RETURNS FOR 2026!

Come and join the fun at Newbury Town Council's Family Day in Victoria Park on Sunday 17 May, from 12 noon to 4pm.

The event will be opened by the Mayor of Newbury, launching an afternoon of free entertainment for all ages. Enjoy family favourites like Punch & Judy, live music and performances from Razzamatraz Theatre School, Watership Brass, and The Caskettes.

There's plenty to keep everyone busy, from a climbing wall and mobile caving adventure to exploring a fire engine and police car. Kennet Radio will be broadcasting during the day, and younger visitors can join in with Rugby Tots sessions or try free tennis tasters on the courts.

Visitors can also enjoy the park's new café, offering a range of refreshments, and explore recent improvements, including a fully accessible Changing Places facility. Why not try Adventure Golf or visit the Bowls Club? The Splash Park will be open, alongside the skatepark and outdoor gym, making it a perfect day out. Bring your family and friends and enjoy a fantastic afternoon in the heart of the community.

NEWBURY YOUNG TRADERS MARKET 30 MAY 2026

Residents, visitors and shoppers are invited to support a Young Traders Market taking place alongside Newbury's regular Saturday Market on Saturday 30 May.

Young entrepreneurs under 30 will be showcasing and selling their products as part of the national **Young Traders Market** competition, giving them the chance to develop their businesses and progress through to regional and national finals organised by the National Market Traders Federation.

The Mayor of Newbury will be welcoming the young traders and presenting awards on the day in recognition of their participation and achievements.

Stalls will feature a range of handmade and creative products, including crafts, jewellery, art, and food items, offering visitors the chance to shop unique goods while supporting the next generation of market traders.

The event provides a valuable platform for young people to gain real trading experience, meet customers, and receive feedback in a lively market setting, alongside established stallholders at Newbury's regular Saturday Market.

Visitors are encouraged to come along, browse the stalls, and support this vibrant addition to the town centre market day.

There are still free pitches available. Anyone interested in taking part can find out more by contacting caroline.edmunds@newbury.gov.uk.
