NEWBURY NEIGHBOURHOOD DEVELOPMENT PLAN SURVEY (SHORT)

Please help us shape the future of Newbury

We're creating a Neighbourhood Development Plan (NDP) for Newbury.

A Neighbourhood Development Plan is a document written by the local community that sets out planning policies for the neighbourhood area. It gives communities the opportunity to influence the priorities for planning in their area and decide where and what type of development should happen.

This document is a shortened and simplified version of the full NDP questionnaire which normally takes around 5 minutes to complete and can be filled in as an alternative to the full questionnaire.

This survey is an opportunity for you to share your views and help shape the future of Newbury. The results will be used to help guide and finalise the vision and objectives for the Neighbourhood Development Plan, which have been drafted by the NDP Steering Group, a group created to progress the NDP. We'll also be consulting the public at other key stages as the NDP progresses.

A summary of responses will be made public. Personal information will be removed from all published material and original forms destroyed in accordance with GDPR requirements, once data has been collated and anonymised.

If you have any questions, please get in touch at NDP@newbury.gov.uk

The survey closes on 30 November 2022.
