

NEIGHBOURHOOD WATCH SUMMER WEBINARS

Join us at our online webinars in July to coincide with our Anti-Scams campaign. The webinars are FREE to attend and are open to anyone who would like to know more about scams, the psychology behind scams, prevention and how a fraud case is investigated.

These webinars bring together experts in their field relating to online fraud, a topic which we are all too familiar with and can affect anyone and everyone, as our lives are played out more digitally.

The dates of the webinars and their topics are as follows:

Date	Topic	Guest speaker
6th July, 5pm	<u>Exploring the psychology behind scams and how scammers are so effective at their crimes</u>	<i>Paul Maskell, Fraud & Cyber Crime Prevention Manager, Dedicated Card and Payment Crime Unit (DCPCU)</i>
14th July, 5pm	<u>Insights into how a fraud case is investigated and how not to be the next victim</u>	<i>Ben Hobbs, Detective Sergeant; and Catriona Still, Head of Fraud Prevention & Training, Dedicated Card and Payment Crime Unit (DCPCU)</i>
23rd July 5pm	<u>Scams awareness training from the Friends Against Scams initiative</u>	<i>The National Trading Standards Scams Team (NTSST)</i>
30th July, 5pm	<u>Don't get hooked by scammers! What you need to know about flubot and phishing scams</u>	<i>Christopher Budd, Senior Global Threat Communications Manager, Avast</i>

To book, go to www.ourwatch.org.uk/webinars and click on the webinar that they wish to attend, and then complete the registration page. You are very welcome to attend all of them if you wish!
