## NEWBURY IN BLOOM 2024 WINNERS ANNOUNCED!

The Newbury in Bloom Presentation evening took place at the Corn Exchange, Newbury on 18 September 2024. The Mayor of Newbury, Cllr Andy Moore, together with the sponsors, presented the awards to the very deserving winners. There were a total of 38 entries received for the eight categories this year.

All entrants were invited to attend on the evening and the winners of each category were announced on the stage. The winners were presented with a beautiful spade, burn etched by local pyrography artist Naomi Lunn, together with a certificate and a £100 prize from the sponsors for each category.

The evening also celebrated the Green Flag status achieved for Victoria Park and City Recreation ground earlier in the year, recognised by the Green Flag Award Scheme as two of the very best parks. The prestigious Green Flag Award is the recognised mark of a quality park or green space and demonstrates to the public that the Park boasts the highest possible environmental standards, is well maintained and has excellent visitor facilities.

As part of the presentation evening, a special award was given for the 'Dedication to Horticulture within their Community' to Mr. Doug Marsh of Lower Raymond Almshouses. For the list of all our winners see our website.

On Sunday 13 October Newbury Town Council volunteers helped to plant 1000 spring bulbs at Middle Close and Glendale Avenue. Newbury Town Council sponsored the event in partnership with Newbury Friends of the Earth so that there will be an additional display of colour in the future.
